

DAYTIME MENU

All our dishes are prepared to order from the freshest ingredients.

It's worth the wait! Please don't forget to check the boards for our Specials, Soup, Sandwiches & Panini.

Special Requirements

If you want something that you don't find on our menu like gluten or dairy-free or vegan, just ask and we will do our best to cater for you. We can even make Marco cook stuff that's not Italian when he's in the right mood!

Children

We are delighted to not have a children's menu full of nuggety or fizzy things.

What we can do is almost anything you request, as long as we have the ingredients & it doesn't require a recipe or a whole afternoon's cooking!

We also have highchairs & mini cutlery if you require them.
